

# P&SIC Member Contractor Spotlight On

## H&M Plumbing & Mechanical Contracting Inc.

H&M Plumbing & Mechanical Contracting Inc. offers a variety of professional expertise to its clients, including a full range of residential and commercial plumbing applications, as well as design-build counseling.

H&M Plumbing & Mechanical Contracting’s mission is to service the health and sanitation of Western New York’s communities, continually invest and research convenient ways to provide our services to all aspects of the industry, invest in the education of our employees and office personnel, and work to our highest level so our customers receive nothing but top quality service.

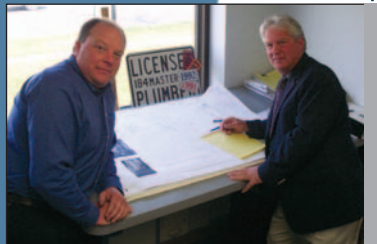

### WHAT OUR CLIENTS ARE SAYING ABOUT H&M PLUMBING & MECHANICAL...

“We’ve used H&M Plumbing and Mechanical for our plumbing needs for many years. We’re impressed with H&M’s ability to deliver skilled workers at a reasonable price to tackle some of our most demanding projects.”

- *H&M Plumbing Client / LP Ciminelli Construction Vice President Chris Hogan*

“H&M Plumbing is one of the most professional contractors that I’ve had the pleasure of working with. From the owner through the project management staff to their field personnel, they pay close attention to detail and have the knowledge to perform extremely difficult projects with ease. Their ‘hands-on’ approach gives me a comfort level that is hard to match. They’ve provided value engineering and design work that’s enabled us to meet extremely difficult schedules and budgets without jeopardizing quality.”

- *H&M Plumbing Client / Uniland Construction Corp. Project Manager Jeffrey Hayes*
